

UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN SENATE

Senate Committee on Student Discipline REPORT ON ACADEMIC INTEGRITY VIOLATIONS - FY2010

The Student Code requires that the Senate Committee on Student Discipline act as a clearinghouse of all academic integrity violations found by instructors, departments, and colleges. Specifically Section 1-406(d) states:

"At the end of each academic year, the executive director of the Senate Committee on Student Discipline shall compile an annual report to the Senate on the number and severity of such infractions of academic integrity, without identification of the individuals involved, and make that report available for open distribution and publication across campus."

This report reflects all violations of the academic integrity policy **reported** to the Senate Committee on Student Discipline which were fully resolved (appeal process has expired) from July 1, 2009 through June 30, 2010. Cases which are still on appeal will be reflected in next year's report.

Other: no penalty assigned by instructor.

* In addition to the reports listed above, twenty-four (24) additional students were found responsible for academic integrity violations in FY10, but are not included in the report. Ten (10) students had previous disciplinary histories for behavioral violations of the Student Code unrelated to the academic integrity violation and were assigned additional sanctions by a disciplinary hearing officer. Twelve (12) students committed their second violation of the academic integrity policy and were sanctioned by a disciplinary hearing officer for repeated violations.

One (1) student was dismissed by the Subcommittee on Undergraduate Student Conduct after repeatedly violating the academic integrity policy. One (1) student was dismissed by the Senate Committee on Student Discipline after his instructor recommended his dismissal after the student committed three separate violations of the academic integrity policy. The Senate Committee on Student Discipline regards academic integrity violations seriously and appreciated the efforts of the faculty in confronting such violations and reporting them to the institution.
