

UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN SENATE

Senate Committee on Student Discipline

REPORT ON ACADEMIC INTEGRITY VIOLATIONS (FY18)

The Student Code requires that the Senate Committee on Student Discipline act as a clearinghouse of all academic integrity violations found by instructors, departments and colleges. Specifically Section §1-405(d) states:

"The executive director of the Senate Committee on Student Discipline shall compile an annual report to the Senate on the number and severity of such infractions of academic integrity, without identification of the individuals involved. The report shall be available to the public."

This report reflects all violations of the academic integrity policy **reported** to the Senate Committee on Student Discipline which were fully resolved (appeal process has expired) from July 1, 2017, through June 30, 2018. Cases which are still on appeal will be reflected in next year's report.

In addition, the Senate Committee on Student Discipline pursued additional disciplinary action thirty-three (33) times in FY18 for students who had committed a second violation of academic integrity. Typically, a second violation of academic integrity results in a formal sanction of Conduct Probation until graduation. The Subcommittee on Undergraduate Student Conduct pursued disciplinary action three (3) times in FY18 for students who had committed a third violation of academic integrity. Typically, a third violation of academic integrity results in a formal sanction of Dismissal; however, of those three (3) cases, one (1) resulted in Withholding of Degree, (1) resulted in Dismissal, and (1) resulted in Conduct Probation. The Senate Committee on Student Discipline regards academic integrity violations seriously and appreciated the efforts of the faculty in confronting such violations and reporting them to the institution.
