1 **History of Investigation**
2

3 On June 3, 2023, Amy Farrah Fowler met with Dean Andersen to request a no contact directive and ask
4 questions about the reporting process. Fowler asked to have an intake meeting to be scheduled with the
5 investigators. That same day, Dean Andersen sent a no contact directive to both Amy Farrah Fowler and
6 HOWARD Wolowitz.
7

8 On June 4, 2023, Fowler submitted a Title IX Formal Complaint to the Title IX Office and then met with
9 Dean Andersen and Dean Kay to give a statement. At that meeting, Fowler was told that an allegation
10 notice would be sent to Wolowitz. The notice was sent that same day.
11

12 On June 5, 2023, Andersen sent a witness request to Leonard Hofstader and Bernedette Rostenkowski.
13 Also, that day, Fowler responded to the notes from the meeting with the investigators.
14

15 On June 22, 2023, Leonard Hofstader met with the investigators, and Dean Andersen sent their
16 statement notes. Hoftstader responded to those notes the same day.
17

18 On June 22, 2023, Howard Wolowitz met with Dean Andersen and Dean Kay.
19

20 On June 23, 2023, Dean Andersen sent Wolowitz the interview notes for review.
21

22 Also on June 23, 2023, Bernedette Rostenkowski met with Dean Andersen and Dean Kay. Dean
23 Andersen sent Rostenkowski the interview notes for review that same day.
24

25 On June 30, 2023, Wolowitz responded to the interview notes.
26

27 On July 10, 2020, Dean Andersen notified Wolowitz and Fowler that the evidence packet was available
28 to be reviewed via BOX. Neither party submitted a written response to the packet.

1 **Alleged Violations**

2
3 **For Howard Wolowitz**

4 *Violation charge statement from original charge letter: It is alleged that throughout the spring 2023*
5 *semester you watched your neighbor, Amy Farrah Fowler, through the peep hole in your door at Nugent*
6 *Hall. You allegedly showed up on multiple occasions at the location where the Fowler was studying and*
7 *watched them while they studied, specifically in both the Student Dining and Residential Programs*
8 *Building and in the Illini Union. You allegedly left anonymous notes on the Fowler's door that said things*
9 *such as, "Big brother is watching," "You never know what could happen," and "Looking for love in all the*
10 *wrong places." At some point during the spring 2023 semester, you allegedly snuck into Fowler's room,*
11 *stole their bunny slippers, and wore them when you were in your room. When other people would show*
12 *romantic interest in Fowler, you would allegedly talk to them and tell them you didn't appreciate their*
13 *pursuing someone that they knew you were interested in. On April 20, 2023, you allegedly sent 20*
14 *balloons to Fowler while they were in an RSO meeting. Additionally, Fowler would actively avoid you and*
15 *never did anything to reciprocate the attention you allegedly gave to them.*

16
17 The investigation focused on alleged violations of the following provisions of the Student Code:

18
19 **1-302(a)** Violent and/or dangerous conduct, including:

20 **(4)** any verbal threat or physically threatening behavior that would cause a reasonable person to
21 fear for their safety

22
23 **1-302(c)** Stalking: engaging in a course of conduct directed at a specific person that would cause a
24 reasonable person to fear for their safety or the safety of others, or suffer substantial emotional
25 distress. For the purposes of this definition,

- 26 1. course of conduct means two or more acts, including but not limited to, acts which the
27 stalker directly, indirectly, or through third parties, by any action, method, device or means
28 follows, monitors, observes, surveilles, threatens, or communicates to or about, a person,
29 or interferes with a person's property;
- 30 2. reasonable person means a reasonable person under similar circumstances and with
31 similar identities to the victim; and
- 32 3. substantial emotional distress means significant mental suffering or anguish that may, but
33 does not necessarily, require medical or other professional treatment or counseling.

34
35
36 **Standard of Proof**

37
38 In order to determine that a student has violated the Student Code, the university uses the
39 preponderance of the evidence standard. In other words, the decision-maker must determine, based on
40 an examination of the available evidence, that it is more likely than not that the alleged behavior
41 occurred.

Throughout the Spring 2023 semester, Amy Farrah Fowler felt like they were being surveilled by their across-the-hall neighbor in Nugent Hall, Howard Wolowitz (Appendix A). Wolowitz said that they do not monitor Fowler, but they do notice when Fowler is around (Appendix B). Witness Leonard Hofstader said that Wolowitz had a weird interest in Fowler that made Fowler uncomfortable (Appendix C). Witness Bernedette Rostenkowski said that Wolowitz watches Fowler from their room. Additionally, Rostenkowski described two occasions where Fowler was studying at the Union and Wolowitz showed up and stared at Fowler (Appendix D).

On three different occasions during the Spring 2023 semester, Fowler found post-it notes on the door to their room. They read: “Big brother is watching” and “You never know what could happen” and “Looking for love in all the wrong places.” (Appendix A) Wolowitz said that they probably have left notes on Fowler’s door but that they don’t think the notes that Fowler described were notes Wolowitz wrote. (Appendix B) Rostenkowski said that they saw Wolowitz leave post-it notes on Fowler’s door but did not know what those notes said. (Appendix D)

At one point, Fowler received bunny slippers in a care package, and they went missing soon after they arrived. (Appendix A) Wolowitz said that they found some bunny slippers in the lounge and started wearing them but did not know those slippers belonged to Fowler. (Appendix B) Hofstader said that Wolowitz wears the bunny slippers when Fowler isn’t around. (Appendix C)

On April 20, 2023, Fowler received a balloon bouquet while they were in an RSO meeting on campus and believes those balloons were sent by Wolowitz. (Appendix A) Wolowitz said that a group of people sent the balloons to Fowler and that Wolowitz did contribute to sending the balloons. Wolowitz said that this was organized over GroupMe. (Appendix B) Hofstader said that they did not know of a group organizing balloons being sent to Fowler and thought that if people on their floor were doing that Hofstader would have been included. (Appendix C) Rostenkowski said that they saw Wolowitz have the Party City website pulled up on his computer the night before Fowler received the balloons. Rostenkowski said that they never heard anything about people from the floor contributing to buying the balloons. (Appendix D)

Wolowitz said that they told Bernedette Rostenkowski that talking about romantic interest with Fowler was not cool since Rostenkowski knew that Wolowitz had a crush on Fowler. (Appendix B) Hofstader said that they heard Wolowitz tell Rostenkowski that it was disrespectful to be interested in Fowler. (Appendix C) Rostenkowski said that Wolowitz said that it was “out of line” to talk about Fowler being attractive. (Appendix D)
