ACTIVITIES*

Practice Hearing: During training, you will engage in a practice hearing with other members of the committees using the Final Investigative Report you reviewed and the skills, policies, and procedures covered in training. Instructors will be reviewing the role-play using a rubric and taking notes in order to determine any areas of training that need follow up and to provide verbal feedback.

Evaluation: At the end of the day you will be sent an evaluation online to provide feedback, as well as let to us know any questions that were left unanswered for you. This helps us improve training for the following year.

*There may be other short activities during the training. Any other activities will be used for practice purposes and will not be turned in.

ONE-ON-ONE MEETINGS

At any point in the semester all of the OSCR staff are willing to meet with you individually to see how your experience on the committee is going, discuss any concerns, and offer additional assistance with any concepts with which you may be struggling.
